	Academic Integrity Policy	ESERN:	SP600-05

All students are expected to act with civility, personal integrity, respect other students' dignity, rights, and property; and help create and maintain an environment in which all can succeed through the fruits of their own efforts. An environment of academic integrity is requisite to respect for self and others and a civil community.

Academic integrity includes a commitment to not engage in or tolerate acts of falsification, misrepresentation, or deception. Such acts of dishonesty include cheating or copying, plagiarizing, submitting another persons' work as one's own, using Internet sources without citation, taking or having another student take your exam, tampering with the work of another student, facilitating other students' acts of academic dishonesty, etc.

Consequences for breaches in academic integrity may range, depending on the severity of the offense from a failing grade on a test to failure of the course entirely.

Cases of academic integrity violations will be handled on a case-by-case basis.
