|                                |                                      | ESERN:                       | OP200-13 |

Mission Hope Foundation Mission Coaches and Instructors will develop lesson plans for group and/or individualized instruction. Each Mission Coach and Instructor may be required to submit to the President/Vice President plans for each week's work in addition to course learning targets and lesson plans.
